PERFORMIX™
IRIDIUM™

**PERFORMIX IRIDIUM™ SUPER MALE T*i*** Blending cutting edge science with breakthrough pharmaceutical grade technology, Performix Iridium Super Male T *i* fuels testosterone production with precision. With the most powerful formula to date, the unique ingredients work in synergy to maximize strength, endurance, mood and sexual health. Energizing both the mind and body, Performix Iridium Super Male T *i* primes you to perform at your peak.†

**Precision engineered with:**

**LJ100®**
At 200 mg per serving, Performix Iridium Super Male T *i* provides efficacious doses of the only science based *Eurycoma longifolia* extract that has been shown in human clinical trials to increase energy, enhance performance, support increased free testosterone production, and improve body composition.†

**KSM-66®**
The highest-concentration extract on the world market today that is drawn using only the roots of the Ashwagandha plant, KSM-66® has been clinically proven to increase strength and endurance, maintain sexual function, and support healthy testosterone production. KSM-66™'s adaptogenic properties put you in the right mindset to enable peak cognitive performance.†

**ZX3™**
This synergistic matrix of Zinc Arginate Chelate, Zinc Citrate, and Zinc Monomethionine promotes cellular functions, including protein synthesis, and sexual health.†

PERFORMIX™
IRIDIUM™

Mental toughness and clarity of mind are the difference between achieving your goals and redefining them. **PERFORMIX IRIDIUM™** is designed exclusively for elite athletes seeking to sharpen their edge and catalyze physical intelligence. Precision engineered with the highest quality premium ingredients, **PERFORMIX IRIDIUM™** is setting the standard for cognitive function, mental strength and physical domination with a singular focus on performance.†

Every **PERFORMIX IRIDIUM™** supplement is driven by our TERRA Intelligent Dosing™ technology, utilizing best in class bioavailability enhancers and intelligent dosing delivery to help maximize every single molecule's potential...period. TERRA Coating is an innovative Multi-Coating Matrix (MCM) technology that targets pH extended release functionality. This offers an advanced delayed release coating system designed with multiple release points to help maximize ingredient performance.†

**ADVANCED MULTI-PHASE EXTENDED RELEASE**
