6 70480 24110 3

Seasonal or occasional congestion may produce excess mucus, hindering upper and lower respiratory function.

MucoStop™ contains a blend of enzymes specifically formulated to promote easy breathing.* The high-potency enzyme Mucolase™ assists the body's natural ability to break down and eliminate excess mucus in the sinus and nasal passages.*

Recommended Use: 2 capsules three times daily on an empty stomach, one hour before or two hours after a meal. More may be taken as needed.

Thera-blend™ is an exclusive process that combines multiple strains of enzymes that work in specific pH levels, resulting in superior performance in the body.

NO FILLERS ADDED

Rev # 24110.3
