7X PERFORMANCE AMPLIFICATION

- Help the Body Generate Explosive POWER.*
- Amplify Focus, Energy and Reaction Time for INTENSITY.*
- Reduce Muscle and Mental Fatigue into Workout for STAMINA.*
- Stimulate Protein Synthesis and STRENGTH.*
- Spark ATP Generation to Fuel ENERGY.*
- Preserve and Power Muscle Function for Post-Workout RECOVERY.*
- Fuels Muscle PUMP & FULLNESS for PERFORMANCE.*

### HIT 7x POWERFUL HOURS

MRI® Black Powder® Pre-Workout is packed with ingredients that can help drive 7x Powerful Hours.*

MRI® Black Powder® powers your body with ingredients that help build muscle, boost blood flow and pump, sharpen your focus and increase your strength and stamina.*

Formulated with ingredients to help build muscle and deliver results, this powerhouse formula can help turn you into exactly that.*

MRI® Black Powder® fuels ATP production to promote your energy to do another rep, climb another flight, and add another plate.*

You won't want to quit with MRI® Black Powder®. Crush your training goals and get rock-hard results.*

### ENERGIZE

**elevATP** has been scientifically studied to increase cellular energy through ATP production which improves performance and stamina.*

Our **Caffeine** tri-blend of 300 mg will help you power through your workout with a massive energy.*

### FOCUS

**Choline Bitartrate** promotes enhanced focus.*

**Alpha-Glycerylphosphorylcholine (Alpha GPC)** also a choline compound, is rapidly absorbed to engage your mind and sharpen your focus.*

**Theanine** and **Tyrosine** work together to create razor-sharp focus, and keep your mind and body focused & guided during training.*

### BUILD

**CREATINE MagnaPOWER® + Creatine Monohydrate** promote muscle building pump, fuel your performance and go for powerhouse results.*

**Betaine Anhydrous** works with Creatine to enhance your body's natural creatine production and improve your training results.*

**CarnoSyn® (Beta Alanine)** enhances athletic performance and exercise capacity, helping you build more lean muscle mass during training.*

### ENSURE

**Agmatine** and **Taurine** work together to help improve your performance, stamina and recovery so you can train longer and recover faster.*

**DIRECTIONS:** Continuing days, adhere to the serving chart below. Mix with 6-8 oz of water.

| CYCLE CONTINUITY | |
|---|---|
| BEGINNER | ADVANCED |
| 1 serving (1 scoop) 0-30 minutes before your workout | 2 servings (2 scoops) 0-30 minutes before your workout |

**WARNING:** Do not exceed recommended dose listed. This product is not intended for use by anyone under age 18, who are pregnant or lactating or have underlying medical conditions including high blood pressure and anxiety or heart issues, are taking prescription medications or are sensitive to caffeine or stimulants. Consult your doctor or your health care professional before using dietary supplements, as individuals may have different supplement needs. Consumption of this product that is inconsistent with recommended usage may produce adverse side effects. Discontinue use and contact a physician immediately if you experience any adverse symptoms. Discontinue use two weeks prior to surgery.

Caffeine content may be too high for children, pregnant women, and may not be appropriate for stimulant-sensitive individuals. Do not use with caffeine, tobacco, alcohol, nicotine, under extreme conditions of heat, sleep deprivation or dehydration.

*THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE, OR PREVENT ANY DISEASE.

KEEP OUT OF THE REACH OF CHILDREN. AVOID STORING IN EXCESSIVE HEAT, LIGHT, AND MOISTURE.
