WARNING: Not intended for use by persons under 18. Do not use if pregnant, nursing or if you have had a myocardial infarction (heart attack). Consult a medical doctor before use if you have been treated for, diagnosed with or have a family history of any medical condition, including (but not limited to), high blood pressure or heart problems, or if you are using any prescription or over-the-counter drug(s), and before starting any diet or exercise program. The paraxanthine in one serving of this product is equivalent to the amount typically metabolized from 4 cups of coffee. Do not combine with other sources of stimulants including caffeine. Some individuals may experience a harmless tingling sensation from the concentrated performance dose of beta-alanine. Inhalation may amplify the inflammatory airway response in people with asthma. **KEEP OUT OF REACH OF CHILDREN.**

Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F). Contains bioengineered food ingredients.
