

This product is naturally hard and color/texture will vary depending on temperature.

This product will melt at high temperatures and become solid again when cool. This is natural and may affect the appearance, but will not harm the quality of the product. If hard, it can be softened by placing in a pan of hot water for 30 minutes or microwaved for a few seconds.

Caution for Microwaving: This jar contains a foil seal. Do not place this jar directly in microwave. Before microwaving, scoop out desired amount and place in a microwave-safe container. Allow time to cool before applying.

Net 7 fl. oz. (207 mL)

Condition: Skin in need of a multi-purpose, whole body moisturizer.

Solution: 100% Pure Cocoa Butter is an all natural moisturizer that's safe for use on even the most sensitive skin types. It is popular for sunburn, dry chapped skin, scar tissue and stretch marks. In its natural state, cocoa butter is solid at room temperature, and may vary in color and appearance. NOW® 100% Pure Cocoa Butter is food grade.

Suggested Use: To soften, scoop out and rub vigorously in between clean hands until the desired texture has been reached. Use as a daily moisturizer, and reapply to skin as needed.

Contains no fillers, preservatives, additives or artificial colors. No solvents are used during extraction.

**This product is guaranteed to be 100% NATURAL.
Hexane-Free.**
