If irritation occurs, discontinue use.  
Tested on our family for four generations. Never on animals.  
PT:000-0000-2oz

After shampooing, apply a generous amount of the strengthening masque from root to ends. Pay particular attention to hair ends. Comb through for even distribution. Place a plastic cap over hair and sit under a warm dryer for 10-15 minutes. May be left on hair for up to an hour without heat. Rinse thoroughly. Style as usual.

This deep conditioning masque restores strength and resilience to damaged, brittle or chemically processed hair. Perfect for those who regularly color, straighten, perm or heat style their hair, as well as kinky, curly or wavy natural styles. Formulated with nutrient-rich Jamaican Black Castor Oil and certified organic Shea Butter to replenish moisture and soften while strengthening hair. Helps promote growth by supporting hair's elasticity, reducing the appearance of breakage and shedding. Peppermint stimulates the scalp for an invigorating experience. Leaves hair soft, manageable and shiny.
