

**Directions:** Take two or more capsules twice daily.

Thyroset, a unique combination of wild kelp, herbs, and L-tyrosine, is the natural way to supplement your diet with iodine, trace minerals, amino acids, and antioxidants. This wild, raw kelp is the highest grade possible, rich in natural iodine, sodium alginate, and trace minerals. Fortified with L-tyrosine and wild spices, Thyroset is an ideal supplement to a healthy diet.
