

Directions: Take two capsules daily with meals or as often as necessary.

OregaBiotic is the only maximum strength multiple spice blend conveniently placed in a natural, gradual-release L-V (vegi) capsule. This natural delivery system ensures that the vital minerals, nutrients, and phenolic compounds contained in the wild spice oil blend are delivered to the colon and lower bowels. OregaBiotic contains wild spice oils of oregano, cumin, sage, and bay leaf that are harvested by hand from remote high-mountain regions in the Mediterranean.
