Wellness Cold & Flu™

homeopathic remedy

Homeopathy is a special approach to Wellness that works by stimulating your body's own natural defenses so your body can fight cold and flu symptoms.

Indications: For the temporary relief of cold and flu symptoms, runny nose, congestion, sore throat, headache, nausea, cough, body aches, fever and chills. Best taken at first sign of symptoms. Effective at all stages of cold and flu.

Directions: Chew 1 tablet slightly and allow to dissolve in the mouth. Adults take 1 every 2 to 4 hours until symptoms improve, then take as needed. For optimal results, take 3-6 doses per day. Children ages 2 to 12 years, use one half the adult dosage. For children under the age of 2 years, consult your health care professional.

For Best Results: Keep mouth free of food and strong tastes (such as toothpaste, mouthwash and tobacco) for 15 minutes before and after taking this medicine. These substances may interfere with sublingual absorption.

Ingredients: Active: Echinacea 3X, Allium cepa 4X (red onion), Bryonia 4X (white bryony), Eupatorium perfoliatum 4X (boneset), Gelsemium sempervirens 4X (yellow jasmine), Sanguinaria

canadensis 4X (bloodroot), Kali Bichromicum 6X (potassium dichromate), Phosphorus 6X, Aconitum napellus 12X (monkshood), Influenzinum 12X (homeopathic flu vaccine).

Inactive: Echinacea Angustifolia Root Extract, Lactose and Magnesium Stearate.

Contains milk.

Warnings: In case of overdose, get medical help or contact a Poison Control Center right away. Severe or persistent sore throat or sore throat accompanied by high fever, headache, nausea, and vomiting may be serious. Consult a physician promptly. Do not use more than 2 days or administer to children under 3 years of age unless directed by a physician. A persistent cough or high fever may be the sign of a serious health condition. If fever persists for more than 3 days, consult a physician. If cough persists for more than one week, tends to recur, or is accompanied by a fever, rash or persistent headache, consult a physician. Do not take this product for consistent or chronic cough such as occurs with smoking, asthma, or emphysema, or if cough is accompanied by excessive phlegm (mucus) unless directed by a physician. **As with any medicine, if you are pregnant, may become pregnant, or breastfeeding, seek the advice of a health care professional before using this product. Keep this and all medicines out of the reach of children.**

Tamper Evident: Do not use if foil blister backing is broken. Foil backing is printed with product name and lot number.
STORE IN A COOL, DRY PLACE.
