Detoxify

Formulated with select species of tonic mushrooms, including Turkey Tail, to promote healthy liver function and detoxification.*

Whole Life Cycle

LifeShield™ Liver Force™ delivers mushrooms' whole protective shield by combining mycelium, their extracellular compounds, fruiting bodies and spores.

Superior Strains

Formulated with vigorous mushroom strains grown to their maximum potential.

Science and Tradition

Combines species both revered traditionally and researched extensively for liver support, such as organic Reishi.*

IDENTITY ASSURED

We use state-of-the-science technologies to match, verify and guarantee each and every mushroom strain. This includes identification through mushroom DNA testing.

Delivering the Whole Mushroom lifeshield™

New Chapter® LifeShield Mushroom formulas deliver organic tonic mushrooms' whole protective shield through the combination of mycelium, their extracellular compounds, fruiting bodies and spores. Each stage of a mushroom's life cycle adds critical nutrients and protection for the mushroom. The combination of these stages creates the activated LifeShield to promote your health and wellness.*
