CODE 3013 V4

Warning: Please keep out of the reach of children. Recommended to be taken after consulting with your health practitioner.

*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

7•KETO® is a naturally occurring metabolite of DHEA, providing the same benefits as DHEA without its associated side effects. Because the body's production of DHEA declines with age, so does the production of 7•KETO. Weight gain is a common sign of aging that often accompanies the decreased production of DHEA and its metabolites. 7•KETO® has been patented for its ability to safely promote thermogenesis as well as for the maintenance of healthy body weight.*

SUGGESTED USAGE: As a dietary supplement, take 1 Vcap® 2 times daily, preferably with meals.

7•KETO®

WEIGHT MANAGEMENT

100 mg

- Safely Promotes Thermogenesis
