The WELLESSE® Promise

Wellesse nourishes active bodies with its fast-absorbing, great tasting liquid supplements. For over 20 years, we've been committed to producing a premium line of liquid nutritional supplements that make it easier for you to stay active at every stage of life.

Joint Movement Glucosamine Liquid provides EXTRA STRENGTH Glucosamine and scientifically supported levels of Chondroitin plus MSM to maintain healthy movement of your joints. Keep your joints lubricated for improved mobility and flexibility with just 1 oz a day of this fast absorbing, sugar free berry flavored liquid.†

Improves Joint Health so you can enjoy the benefits of less joint discomfort and get back to the activities you love. Independent scientific studies of Glucosamine indicate that with continued daily use, benefits will improve over time.†

Glucosamine at EXTRA STRENGTH levels protects and rebuilds cartilage tissue to keep your joints flexible and your body active.†

Chondroitin naturally occurs in the connective tissue to cushion and lubricate cartilage for ease of joint movement.†

MSM is an organic form of sulfur vital in nourishing and maintaining healthy connective tissue in the joints for flexibility and elasticity.†

Research has shown that nutrients from liquid sources can be more easily absorbed than from pills or tablets.
