

USAGE: Take 2 capsules per day with food or as directed by your qualified healthcare professional. **DO NOT** take late in the day.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications (especially blood-thinning medications), consult your healthcare professional before using this product.

Jarrow Formulas® BrainBoost™ combines clinically documented ingredients to deliver both short-term and long-term benefits. **Sharp-PS® Gold** supplies the form of phosphatidylserine found naturally in the brain as a conjugated complex of DHA (omega-3) fatty acid as part of the triacylglycerol tail of the phosphatidylserine phospholipid. Phosphatidylserine is important for cell membrane fluidity and improves brain uptake of DHA.* **Chocamine® Plus** (extract of *Theobroma cacao*) is a patented extract high in theobromine that has been shown to positively affect cognitive and motor functions, including reaction time.* **Vinpocetine** supports brain metabolism by increasing brain circulation, enhancing the cerebral synthesis of ATP, improving the utilization of oxygen and supporting the synthesis of several neurotransmitters that affect such critical brain functions as memory, recall, focus and mood.*

Keep out of the reach of children.
