WOMEN'S ULTRA MEGA®
Energy & Metabolism

Women's Ultra Mega® Energy & Metabolism is much more than a multivitamin – it's also a complete energy formula packed with protein and fiber in one easy-to-mix powder!

- ✔ **Women's Health**
Contains a clinically studied multivitamin* formula shown to support women's health, and it includes 10 g of high-quality protein for muscle support.*
- ✔ **Energy & Metabolism**
Has an array of B vitamins essential for energy production, and it contains both immediate- and sustained-release caffeine for extended energy support. Also features a thermogenic blend, which increases calorie burning and metabolism.*
- ✔ **Skin Support**
Includes lutein to help support skin hydration.*
- ✔ **Antioxidants**
Packed with antioxidants from both vitamins and plant-based sources. These antioxidants minimize the effect of free radicals that can be produced by intense exercise and support eye, skin and heart health.*
- ✔ **Digestion**
Includes a clinically researched advanced digestive enzyme blend for greater protein breakdown and 10 g of fiber to support digestive health.*

*In a randomized, double-blind, placebo-controlled study of 112 healthy volunteers, subjects taking the GNC vitamin and mineral blend in this product for six weeks experienced statistically significant improvements in markers of B vitamin and antioxidant status, as well as improvements in SF 36 Vitality and Mental Health scores compared to those taking a placebo.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
