

Training Mask Spray Clean will help keep your mask clean from dirt, grime, and every-day use. It is specially formulated for effectively deodorizing the Elevation Training Mask. Leaves behind no residue and keeps your mask smelling clean and fresh.

DIRECTIONS

Place Elevation Training Mask on a stain resistant surface and then spray outside surface.

Make sure surface area is saturated and then wipe dry with cloth.

Repeat on inside of Training Mask avoiding eye pieces on the mask.

Make sure mask is dry in all areas before use.

**DO NOT SATURATE
BREATHING AREA!**
