

The Ultimate Portable Mixer

The Vortex is powered by a 11,000 rpm motor that tears through the thickest powders with ease. Your days of drinking clumpy protein and shaking cups up and down are over!

Directions

- Install 2 AAA Batteries – (remove rubber bottom to insert batteries)
- Fill mixer with desired liquid.
- Push button and allow tornado to form.
- Add other ingredients to the Vortex Portable Mixer for instant mixing.
- **DO NOT PLACE BATTERY BASE IN DISHWASHER**

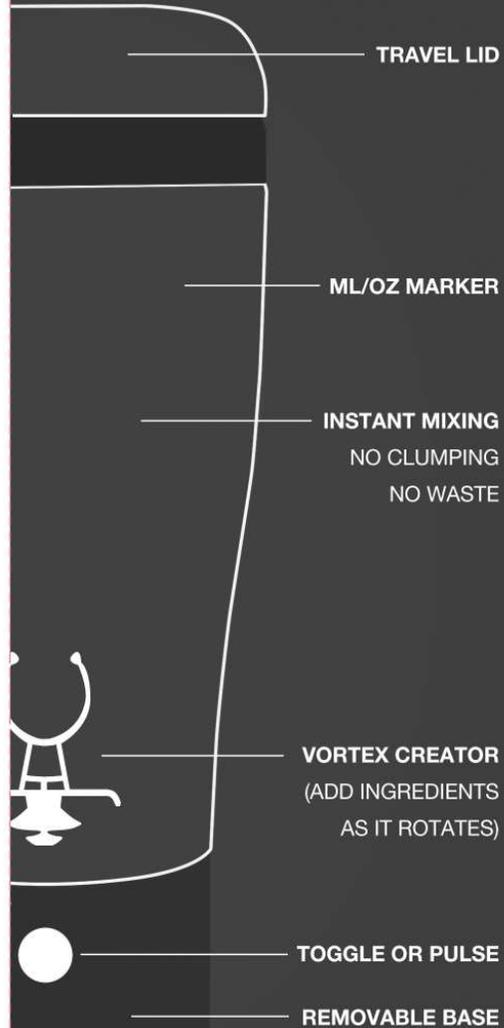

Warnings

1. Do not tamper with propeller blade.
2. Do not unscrew bottom of mixer cup.
3. Do not drink without lid on mug.
4. Failure to follow these rules may result in a defective product at consumer's cost.
