

Clinical research shows the powerful effects of turmeric in subjects with various pro-inflammatory complaints like tender joints.* Researchers used these promising results to develop the NEW Instaflex® Super Turmeric that includes a mighty 1,000mg dose, compared to many other turmeric products with only half that potency. Super Turmeric also contains BioPerine® black pepper extract, which provides superior bioavailability for increased absorption—leading to maximum results. Target the root cause of joint discomfort with the NEW Instaflex® Super Turmeric!

PRECAUTIONS: Use only as directed. Consult a health care practitioner before use if you are: pregnant or nursing; if you are taking antiplatelet medication, blood thinners or use any medications; if you have gallstones, a bile obstruction, stomach ulcers, excess stomach acid, a blood sugar disorder, iron deficiency or any serious medical condition. For adult use only.

Keep out of the reach of children. Keep product at room temperature and humidity (59-86°F, 40% RH).
