

Exposing your skin to harsh elements causes them to become dry, cracked, and sore. Cracked Hand and Foot Cream, formulated with **organic** oils, is designed to penetrate deep into damaged skin to relieve dryness and replace lost moisture. **Cracked Hand and Foot Cream can be used anytime without greasy residue.**

Ingredients: **Organic** Aloe Vera Juice, **Organic** Glycerin, **ND** Arachidyl Alcohol (and) Behenyl Alcohol (and) Arachidyl Glucoside, **Natural** Goat Milk, **Organic** Babassu Oil, **Organic** Coconut Oil, **ND** Stearic Acid, **Organic** Shea Butter, **Organic** Sunflower Oil, **Organic** Olive Oil, **Organic** Calendula Flowers, **Organic** Avocado Oil, **Natural** Vitamin E (Tocopherol), **ND** Glyceryl Caprylate (and) Glyceryl Undecylenate, **ND** Sodium Phytate, Sodium Gluconate, **Natural** Xanthan Gum, Panthenol, **Organic** Peppermint Essential Oil, **Natural** Essential Oil Blend, **ND** Sodium Anisate

ND stands for Naturally Derived

Use: Massage into damaged skin until absorbed, repeat as needed. Not just for hands and feet, treat **all** dry skin areas including feet, elbows, and knees.

For external use only. Natural ingredients may cause product to change color.
