www.SheaMoisture.com

SheaMoisture's Coconut & Hibiscus Collection is a bounty of nutrient-rich tropical ingredients high in vitamins, minerals and fatty acids working together to stimulate collagen production, improve skin firmness and naturally smooth wrinkles. The anti-inflammatory and antioxidant properties of the Hibiscus flower help to maintain skin elasticity, improve skin tone and offer anti-aging effects.

Our Story

Soft Tucker started selling Shea Nuts at the village market in Bonthe, Sierra Leone in 1912. By age 19, the widowed mother of four was selling Shea Butter, Black Soap and her homemade hair and skin preparations all over the countryside. Soft Tucker was our grandmother and SheaMoisture is her legacy. With this purchase you help empower disadvantaged women to realize a brighter, healthier future.
