& IMPROVE ELASTICITY

A gentle body wash and scrub specially blended with certified organic Raw Shea Butter to moisturize and reinforce skin's elasticity. Amazonian Cupuaçu, a plant-sourced Lanolin substitute, combines with Passiflora Oil to form a protective layer on the skin's surface, preventing moisture loss. Alluring Pistachio Oil helps nourish and protect the skin. Jojoba Beads gently exfoliate rough, dull skin without discomfort. Leaves skin soft and radiant.

Squeeze a generous amount onto a washcloth and work into a lather on wet skin. Rinse. May be used daily.

## Our Story

Sofi Tucker started selling Shea Nuts at the village market in Bonthe, Sierra Leone in 1912. By age 19, the widowed mother of four was selling Shea Butter, African Black Soap and her homemade hair and skin preparations all over the countryside. Sofi Tucker was our Grandmother and SheaMoisture is her legacy. With this purchase you help empower disadvantaged women to realize a brighter, healthier future.
