

RELACORE[®] EXTRA

Can't Sleep?

It Might Be Stress Related Sleep Disorder™† (SRSD)

On any given evening, more than 100 million Americans have a hard time getting a good night's sleep. And almost half of those people can't fall asleep or stay asleep because of stress and something we call Stress Related Sleep Disorder (SRSD).

What's worse, when you don't get enough sleep you become more stressed, and a vicious cycle begins: fatigue, lack of focus, irritability, poor memory, and moodiness.

Unfortunately, many of us are taking the wrong kind of sleeping pill... one that does little or nothing to combat SRSD and can leave you feeling "hangover" in the morning. But all that's changing thanks to Relacore[®] Extra Deep Sleep.

This unique, proprietary formula is the first and only sleep aid specifically developed to break the sleep-stress cycle and address SRSD. It can help you get to sleep faster AND stay asleep longer. In other words, Relacore Deep Sleep can help you fall asleep quickly and wake up rested and ready to take on your day... without morning "hangover."

You're going to love what "Deep Sleep" can do for you... Sweet dreams!

Store at controlled room temperature: 15°-30°C/59°-86°F.

NOTE TO THE PEOPLE OF CALIFORNIA: The following notice is required by California's Safe Drinking Water and Toxic Enforcement Act of 1986, better known as Proposition 65. This notice does not apply to any other state in the Union.

WARNING: This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

To put this notice in perspective, the value of lead contained in Relacore Extra Deep Sleep (a plant-containing dietary supplement) is well within the range and below the mean value of naturally occurring lead levels found in plants growing in non-contaminated soils. A person eating the USDA-recommended 3-5 servings of vegetables daily could consume up to ten times more lead than the stringent maximum recommended by California.

This box was designed in an oversized manner to prevent pilferage. The actual size of the tablet is printed on the front of the box.
