## DMAE Alpha Lipoic C-Ester Firming Facial Toner

This refreshing firming facial toner helps clear away remaining traces of cleanser and impurities without disturbing your skin's moisture balance. Enriched with herbal extracts to naturally refresh, soothe and calm skin.

**Directions For Use:** After cleansing your skin with derma e's DMAE Facial Cleanser, saturate cotton and gently smooth onto face and neck using an upward motion. Your skin is now clean and ready to absorb the benefits of your favorite moisturizer.

**Mode d'emploi:** Après s'être nettoyé la peau avec le Nettoyant moussant pour le visage DMAE derma e®, saturer une boule d'ouate de tonifiant et la passer délicatement sur le visage en exécutant un mouvement ascendant. Votre peau est alors propre et prête à absorber les bienfaits de votre hydratant DMAE derma e® préféré.
