

Train, Recover, Repeat...

Recovery is an essential part of any workout routine; it not only helps to repair and build muscles, but is paramount for performance and continued improvement.

To help optimize your recovery, we developed this science-based formula that supports overworked muscles during the rest & recovery phase.* Turmeric After-Sport™ is an advanced nutritional supplement designed to:

- promote muscle relaxation*
- reduce temporary pain and muscle stiffness associated with strenuous exercise*
- support a healthy inflammatory response due to overexertion*

Turmeric After-Sport™ is ideally suited for every type of athlete and sport. Use this product daily to maintain wellness, or occasionally (as needed) to keep you on top of your game.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. *Advanced Liquid Soft-Gels provide an optimum delivery system.*

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine® - BioPerine® enhances the bioavailability, absorption and potency of many nutrients.*
