

HERBAL. HOLISTIC. HEALTH.™

Holistic Prostate Support

This concentrated formula is targeted to support prostate health and function, and help support quality of life.*

Normal Urine Flow

Prostate-supportive whole herbs, including supercritical Saw Palmetto, help maintain prostate function and support normal urine flow.*

1+1>2

Contains a proprietary blend, with complementary Pumpkin Seed oil, that has been shown *in vitro* to be more effective than its single herb constituents.

Antioxidant Action

The Zyflamend™ formula delivers whole-food antioxidants, including Ginger, Turmeric, Green Tea and Rosemary, to help quench free radicals and support healthy aging.*

Super Pure & Potent

Our full-spectrum process extracts precious plant compounds to preserve Nature's full complexity, delivering a super-pure, super-potent herbal extract.

GLUTEN FREE

Suggested use: Two capsules daily with food.

Do not exceed suggested use.

Not recommended for use in children.

Gluten free.

Caution: As with any dietary supplement, contact a healthcare professional if you have a long term medical condition, take regular medication or are planning surgery. If you experience an adverse event, or if you have a liver disorder or develop symptoms of abdominal pain, dark urine, or jaundice, discontinue use and contact a healthcare professional. Supplements are not a substitute for medical therapy. Taking with a meal and a full glass of water may reduce stomach upset. Avoid use if you are sensitive to caffeine. **Keep out of reach of children.** Read ingredients carefully and avoid use if known sensitivity to any ingredient.

Zyflamend™ PROSTATE

Targeting Your Prostate Health

Prostate health is a concern for every man as the years go by. Fortunately, Nature has provided us with an array of key foods and herbs that, when sufficiently concentrated and intelligently blended, can provide support for prostate health.* You can find these select ingredients in Zyflamend Prostate, the unique herbal formula with a combined approach to prostate health: helping to support normal urine flow, supporting a healthy antioxidant response, and supporting overall prostate health.*

The New Chapter® Difference

Our supplements are whole food, easy for the body to recognize and absorb. Using only supercritical CO₂ and traditional extraction methods, our pure and potent herbal extracts deliver the full spectrum of valuable phytonutrients from the finest herbs.
