✓ **Gluten-free**

✓ **Preservative-free** ✓ **Sugar-free**

\*If flushing or itching occurs, drinking 1 or 2 glasses of water may alleviate symptoms.

Niacin is an essential B vitamin (B-3) that's important for properly metabolizing fats and fat-like substances, such as cholesterol.\*

Niacin may cause flushing or itching, but Niacin-Time<sup>®</sup> is prepared to minimize or eliminate these side effects by providing a gradual release of Niacin over a period of several hours. Please be aware that a flush may occur.\* Taking this product with warm fluids may enhance this effect.

\*This statement has not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.
