

Health & longevity through the healing power of nature—that's what it means to Trust the Leaf.[®]

Delicious for the Entire Family to Enjoy.

Nature's Way[®] combines berry flavors with the goodness of pure Aloe Vera Inner Leaf Gel & Juice.

Polysaccharide Content. Scientific studies show polysaccharides to be responsible for many of aloe's health benefits. Nature's Way[®] Aloe Vera is enhanced with Aloe PolyMax+[™] (a proprietary aloe polysaccharide extract).

Grown in Rich Fertile Soil. This product contains Aloe Vera that is harvested at the peak of nutrient potency.

Oxidation-Free Packaging. Nature's Way[®] Aloe Vera is guaranteed fresh. Because aloe nutrients deteriorate when exposed to oxygen, Nature's Way[®] Aloe Vera is bottled using a unique nitrogen process to eliminate oxidation and preserve potency.

Certified for Purity & Potency. Nature's Way[®] Aloe Vera is the brand to trust. Independently certified for quality, Nature's Way[®] Aloe Vera is certified by the International Aloe Science Council (verification of aloe content and purity).
