

REACH YOUR MAXIMUM HUMAN PERFORMANCE

Reach Your MHP with our exclusive Premium Series. Every product label tells you exactly what's in the bottle, so you know you're getting science-driven sports performance in every serving.*

BCAA-XL Energy delivers 5g of branched chain amino acids (BCAAs) with over 4g of the anabolic trigger leucine – 19% higher than the leading brand. BCAAs, and in particular leucine, are crucial for stimulating muscle protein synthesis to promote muscle growth, strength and recovery so you can survive the rigors of your intense training. Additionally, BCAA-XL Energy contains 115mg of naturally sourced caffeine from green tea, yerba mate and green coffee bean extract.*

Whether you're an athlete, bodybuilder, fitness enthusiast or just looking to maintain a healthy lifestyle, BCAA-XL Energy will take your workouts and recovery to a whole new level. So grab a shaker and enjoy this sugar free, delicious and refreshing anabolic and energizing cocktail upon waking, pre-workout, post-workout, or as a mid-day pick-me-up.*
