Glutamine is the most abundant free amino acid in the body. During prolonged periods of strenuous exercise, glutamine levels may drop, causing stress to the body and leading to muscle breakdown. COR-Performance® Glutamine is a great choice after a workout to help the body replenish glutamine levels which play a role in protein synthesis and muscle cell recovery.*

SUGGESTED USE:

USE ONLY AS DIRECTED. Take one serving (1 scoop) of COR-Performance® Glutamine mixed with 8 fl. oz. of cold water or other beverage of choice after training up to two times per day.

WARNING:

THIS PRODUCT IS ONLY INTENDED TO BE CONSUMED BY HEALTHY ADULTS, 18 YEARS OF AGE OR OLDER. Do not use this product if you are pregnant or nursing. Before using this product, consult a licensed, qualified, health care professional, including but not limited to, if you are taking any prescription drug or over-the-counter medication, or have any existing medical condition. Immediately discontinue use and contact a medical doctor if you experience any adverse reaction to this product. Discontinue use 2 weeks prior to surgery. Do not use if safety seal is broken or missing. Store in a cool, dry place. KEEP OUT OF REACH OF CHILDREN. Settling may occur.
