

ROXYLEAN™

The Healthy Supportive, Metabolic,
Weight Management Agent!†*

ROXYLEAN™ is based on the most popular weight loss supplement.† It is extremely strong and not for everyone. It is comprised of a precise ratio of energy-driven ingredients and performance based components.†

ROXYLEAN™ is THE WEIGHT MANAGEMENT, ENERGY ENHANCING FORMULA.† So FAST, so LEAN, and so RIPPED.† This is the product that delivers where others fall short.†

When taken properly, research shows that the component agents in ROXYLEAN™ may have a remarkable and potentiating effect on weight management and lean muscle mass.†

In all the years that companies have struggled to formulate effective versions of weight loss products, there has never been another company as progressive as BPI Sports in helping reshape the category of weight loss supplements.† Never before has there been a product as targeted as ROXYLEAN™ -

UNTIL NOW...

*THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE TREAT, CURE, OR PREVENT ANY DISEASE.

† When combined with a proper exercise and nutrition regimen. Statements based on early-stage independent 3rd party *in vivo* and / or *in vitro* model scientific research data findings.

Please read entire label before use.

Suggested Use: Take one (1) capsule daily, in the morning on an empty stomach before food, or as directed by a qualified healthcare practitioner. Due to the extreme potential strength of this product Do Not Exceed more than one (1) capsule per day.

Warnings: Not intended for use by persons under age 18. Do not exceed recommended dose. Do not take for more than eight (8) consecutive weeks. Do not use if you are pregnant, nursing or allergic or contraindicated to aspirin. Discontinue use two weeks prior to surgery or if upset stomach occurs. Get the consent of a licensed physician before using this product, especially if you are taking medication, have a medical condition, or thinking about becoming pregnant. **KEEP THIS PRODUCT AND ALL SUPPLEMENTS OUT OF THE REACH OF CHILDREN.**

Caffeine warning: The recommended serving of this product contains approximately as much caffeine as three cups of coffee. Do not consume caffeine, or combine with synephrine, including but not limited to coffee, tea, soda and other dietary supplements or medications containing phenylephrine or caffeine. Too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally rapid heartbeat. Discontinue use if you experience dizziness, severe headache, rapid heartbeat or shortness of breath.

Caution: ROXYLEAN™ contains the B vitamin niacin. Niacin may cause temporary flushing, tingling, skin reddening, and sensations of heat, especially if taken on an empty stomach. This is a common reaction.
