

Suggested Use: For aromatherapy use. For all other uses, carefully dilute with a carrier oil such as jojoba, grapeseed, olive, or almond oil prior to use. Please consult an essential oil book or other professional reference source for suggested dilution ratios.

Natural essential oils are highly concentrated and should be used with care.

Caution: Not for internal or topical use at this strength; never use undiluted. Avoid contact with skin or eyes. Keep out of reach of children. If pregnant or lactating, consult your healthcare practitioner before using.
