

WARNING

Do not exceed suggested daily serving. Do not exceed one purple tablet and one yellow capsule in any 4-hour period. Not for use by individuals under the age of 18 years. Do not use if pregnant or nursing. This product contains a significantly potent xanthine (i.e., caffeine and caffeine-like stimulants) mixture of about 300 mg per serving. Consult your physician before use if you are sensitive to stimulants, taking medication, or if you have, or have a family history of, the following conditions: high blood pressure, cardiovascular disease, thyroid disease, seizure disorder, diabetes, recurrent headaches, depression or other psychiatric condition. Read the label and follow directions. Discontinue use and call a physician or licensed health-care professional immediately if you experience rapid heartbeat, dizziness, severe headache, shortness of breath, or other similar symptoms. Consumption in excess of the recommended servings, or consumption of a serving at more frequent intervals than recommended, may cause serious adverse health effects. People sensitive to niacin (nicotinic acid) may experience flushing of the skin that is generally mild and transient. **Keep out of reach of children. Use only as directed.**

NOTE: Limit the use of xanthine-containing (i.e., caffeine and caffeine-like stimulants) supplements, foods, or beverages while consuming this product because stimulants may cause nervousness, irritability, sleeplessness and occasionally, rapid heartbeat. If you or your health-care provider have any questions, please call: 1-800-901-5527.

Our 100% satisfaction guarantee: Because no product or program will work for everyone, BiphedAdrene® is backed by our 100% money back guarantee. For details regarding our guarantee, please visit www.Biphed.com or call customer service at: 1-800-901-5527.

Note to the People of California: The following notice is required by California's Safe Drinking Water and Toxic Enforcement Act of 1986, better known as Proposition 65. This notice does not apply to any other state in the Union.

WARNING: This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

To put this notice in perspective, the value of lead contained in BiphedAdrene (a plant-containing dietary supplement), is well within the range and below the mean value of naturally occurring lead levels found in plants growing in non-contaminated soils. A person eating the USDA-recommended 3 – 5 servings of vegetables daily could consume up to ten times more lead than the stringent maximum recommended by California.
