

# health

Formulated with select species of tonic mushrooms, including organic Reishi, to support the immune system, vitality and overall wellness.\*

LifeShield™ Immune Support delivers mushrooms' *whole* protective shield through the combination of mycelium, their extracellular compounds, fruiting bodies and spores.

Formulated with vigorous mushroom strains grown to their maximum potential.

Combines species both revered traditionally and researched extensively for immune support, such as organic Shiitake.\*

We use state-of-the-science technologies to match, verify and guarantee each and every mushroom strain. This includes identification through mushroom DNA testing.

100% USA-GROWN & NATURALLY GLUTEN FREE

## Delivering the Whole Mushroom

### lifeshield™

New Chapter® LifeShield Mushroom formulas deliver organic tonic mushrooms' *whole* protective shield through the combination of mycelium, their extracellular compounds, fruiting bodies and spores. Each stage of a mushroom's life cycle adds critical nutrients and protection for the mushroom. The combination of these stages creates the activated LifeShield to promote your health and wellness.\*
