

Directions: Take 20 or more drops twice daily. For variety, mix with raw honey and add to yogurt, milk, or cream.

BerriMax is the most powerful berry extract available. It's powerful, because it is raw and wild. All enzymes and flavonoids are intact. Get your wild berries in a raw form, as nature intended, handpicked from the most remote areas of the wilderness. This is the only 100% raw, concentrated, undiluted, wild berry extract available.
