Broken Cell Wall Chlorella Tablets

Chlorella is an incredible, multi-faceted superfood that is 66% protein by weight and contains all nine essential amino acids. It also boasts an array of beneficial nutrients including vitamin A, iron, zinc and B vitamins. Grown in fresh water, chlorella is a microscopic, single-celled plant with an abundance of chlorophyll, giving our tablets a deep, emerald-green color. As a potent superfood, chlorella helps to detoxify, alkalize, and nourish your body on a cellular level.

The Sunfood Difference™

Our Chlorella Tablets are processed from pure chlorella powder. The chlorella is gently dried after harvest, then the cell walls are broken using a unique, chemical-free centrifuge process, enabling optimal nutrient absorption. The broken cell wall chlorella powder is then stamped into tablets without the use of binders, fillers, or additives.

Suggested Recipe

SUPER CHLORELLA SMOOTHIE

- 7 oz pineapple juice
- 1/2 cup almond milk
- 4-6 Chlorella Tablets
- 1 tbsp Açai Powder
- 1 whole banana

Combine all ingredients in a blender, blend on high for 20 seconds or until smooth!
