

LIBIDO-MAX RED™

MALE PHYSICAL RESPONSE®

This innovative product for men is specially formulated to support blood flow and boost physical response.* It features L-Citrulline an amino acid that is readily converted into L-Arginine, which can then be converted into Nitric Oxide in the body.* Nitric Oxide is a naturally-occurring compound that plays a key role in cardiovascular and sexual health.* It stimulates healthy blood flow to vital organs and enhances physical response during sexual activity.*

Usage Warnings: Do not use if safety seal is broken. This product contains ingredients that may affect blood pressure and/or heart conditions. Check with your doctor before using this product and engaging in activity, if you are using medication or have any medical conditions, including heart disease, high blood pressure or other medical conditions. Individuals with low blood pressure should not take this product. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.

WARNING: (State of California Prop 65) This product contains a chemical known to the State of California to cause birth defects and other reproductive harm.
