GNC PETS QUALITY COMMITMENT

Since 1935, GNC has been the leader in the development and manufacture of human nutritional supplements. GNC's commitment carries over to Pet Products! GNC Pet Products are produced at the same highest quality standards as our human supplements.

Give 2 soft chews daily.

This premium shedding soft chew is a delicious alternative for cats who have an aversion to pills. It is scientifically formulated with high-quality ingredients that may help nutritionally manage normal shedding. This advanced formula features omega-3 and 6 fatty acids to support a healthy coat. Plus zinc and biotin for healthy skin!

Your pet will love the great-tasting chicken flavor and the chewy texture! For animal use only. Keep out of reach of children and animals. Your pet may consider this a treat. In case of accidental overdose, contact a health professional immediately.
