

HYBRID MUSCLE PUMP FORMULA & POWERFUL TEST AMPLIFIER*

SX-7[®] researchers have engineered a dual-function formula backed by real human clinical studies on its core ingredients. N.O.x Test™ SX-7[®] Black Onyx™ is an intense nitric oxide and muscle pump inducing formula with the added benefit of boosting testosterone. Using studied key ingredients, N.O.x Test™ SX-7[®] Black Onyx™ delivers a unique experience that is completely stackable with other pre-workouts or testosterone boosters.▲

- 1. L-citrulline** – An amino acid that is a precursor to arginine, shown to reach superior peak plasma arginine levels than a larger dose of L-arginine.▲
- 2. L-arginine** – An amino acid shown to increase blood flow and vasodilation to support muscle pumps.▲
- 3. Quercetin** – A bioflavonoid shown to increase key markers of nitric oxide production and reduce a vasoconstricting factor.▲
- 4. Red wine fruit extract** – Supplies proanthocyanidins – a key polyphenol – which emerging research shows may support the production of nitric oxide.▲
- 5. Boron** – Shown in human clinical research to increase free testosterone and decrease estradiol in just 7 days. Free testosterone is the most bioavailable form of testosterone and supports the musclebuilding process.▲
- 6. Rhodiola crenulata and Ginkgo biloba** – This combination of ingredients has been shown in a human clinical study to maintain peak testosterone-to-catabolic-hormone ratio and enhance performance.▲
- 7. Brassica oleracea and Bladderwrack extract** – Supplying diindolylmethane and fucoxanthin.

Supplement Facts

Serving Size: 4 Caplets
Servings Per Container: 30

Amount Per Serving	% Daily Value
Calcium	180mg 18%
N.O. Pump Matrix	
L-citrulline (as L-citrulline and PepForm [®] L-citrulline peptides)	1,500mg †
L-arginine	1,000mg †
Quercetin anhydrous	200mg †
Red wine extract (as <i>Vitis vinifera</i>) (fruit)	150mg †
Standardized for proanthocyanidins	
Anabolic/Anti-Catabolic Complex	
Rhodiola extract (as <i>Rhodiola crenulata</i>) (root)	771mg †
Standardized for salidroside	
Broccoli (as <i>Brassica oleracea</i>) (sprout)	250mg †
Supplying diindolylmethane	
Boron citrate	200mg †
Supplying 5% boron	
Bladderwrack extract (as <i>Fucus vesiculosus</i>) (whole plant)	50mg †
Ginkgo extract (as <i>Ginkgo biloba</i>) (leaf)	5.4mg †
Standardized for terpene lactones	

†Daily Value not established.

Other Ingredients: Dicalcium Phosphate Dihydrate, Microcrystalline Cellulose, Hydroxypropylcellulose, Stearic Acid, Coating (Hyromellose, Titanium Dioxide, Polydextrose, Talc, Maltodextrin, Medium Chain Triglycerides), Croscarmellose Sodium, Silicon Dioxide, Magnesium Stearate, Acesulfame Potassium. **Contains milk ingredients.**

Directions: Take 1 serving (4 caplets) once daily. Do not exceed 4 caplets in a 24-hour period. Read the entire label before use and follow the directions provided.

WARNING: For healthy adult men only. Consult a medical doctor before use if you have a medical condition and before starting a diet or exercise program. **KEEP OUT OF REACH OF CHILDREN.**
