

Resveratrol Reserve™ from Nature's Answer®, is the most *technologically advanced* Resveratrol available on the market. We use only the purest ingredients obtainable. Nature's Answer®, the pioneer in herbal extracts, continues to set the industry standard for *superior quality liquid extracts since 1972*. We combine the most biologically ACTIVE, highly purified form of Resveratrol, **99% PURE *trans-resveratrol***, along with other delicious high ORAC 'superfruits' to bring you the top level, *premier quality* Resveratrol available on the market:

Resveratrol Reserve™!

Resveratrol is a chemical constituent that has been isolated from grapes, red wine, blueberries, red berries, and Japanese Knotweed. Muscadine is the species of Grape (berry) known to have the highest concentration of *ellagic acid* and *anthocyanins*. Nature's Answer® extracts only **FRESH WHOLE Muscadine Grapes** (berries) in our own state-of-the-art extraction facility in the U.S.A. to bring you the highest quality extract available.

Resveratrol has created a buzz in the scientific community. Nature's Answer® **Resveratrol Reserve™** is **SUPER CONCENTRATED** so that you can reap the healthful benefits of resveratrol.** One teaspoon (5 mL) serving supplies 125 mg of *trans-resveratrol*.

SHAKE WELL
