MEGA MEN[®] Energy & Metabolism

Mega Men[®] Energy & Metabolism is much more than a multivitamin – it's also a complete energy formula in one easy-to-mix powder!

- Men's Health**
Contains a clinically studied multivitamin formula[^] shown to support men's health including 10 g of fiber for digestive health and lycopene for heart and prostate health.*
- Energy & Metabolism**
Packed with B vitamins essential for energy production. Also features a thermogenic blend, which increases calorie burning, and green tea to support metabolism.*
- Mental Focus**
Includes both an immediate and a sustained release of caffeine to support mental focus. Also includes choline, which supports memory function.*
- Circulation**
Includes ingredients clinically shown to increase blood vessel dilation, and L-arginine, an essential precursor of nitric oxide, to help maintain blood vessel tone.*
- Antioxidants**
Packed with antioxidants from both vitamins and plant-based sources. These antioxidants minimize the effect of free radicals that can be produced by intense exercise. They also support eye, skin and heart health.*

[^]In a randomized, double-blind, placebo-controlled study of 112 healthy volunteers, subjects taking the GNC vitamin and mineral blend in this product for six weeks experienced statistically significant improvements in markers of B vitamin and antioxidant status, as well as improvements in SF 36 Vitality and Mental Health scores compared to those taking a placebo.
