

If you're satisfied with how you look  
in makeup, wait till you see how  
good you look with Reviva's **NEW**  
**MAKEUP PRIMER** under your makeup.

*Use Over Moisturizer Or Directly Under Makeup.*

- Fills in lines, conceals pores, controls excess oil.
- Helps skin instantly look and feel smooth and silky.
- Helps makeup foundation last longer. (safe under eye shadow, too)
- And COQ10 adds protective antioxidant action.

# Makeup Primer

Use over moisturizer  
or alone under makeup

Net Wt. 1 Fl. Oz. (29.5ml)

**DIRECTIONS:** Over moisturizer or directly on clean skin, apply just a drop on forehead, each cheek and above jawline. Massage in lightly over entire face. Allow product to absorb. Then apply makeup. You'll love the smooth, velvety feel and look. Men, of course, can use it directly on skin.

**INGREDIENTS:** Cyclopentasiloxane, Dimethicone, Dimethicone Crosspolymer, Dimethiconol, Squalane, Tocopherol Acetate, Ubiquinone (Co-enzyme Q-10), Cholecalciferol (Vitamin D3), Retinol Palmitate (Vitamin A).
