

OregaClean is the most powerful natural germ-killing cleaner available. Add a few drops to wash cycle or dish/hand soap. For general water cleansing add 20-40 drops per liter. For emergency water purification add 100 drops per liter. For severely contaminated water add 200 drops per liter. To mix always blend well. For a cleaning solution for mold and mildew add 100 drops per liter.

For best results mix thoroughly.
