

SUGGESTED USE: As a dietary supplement, take 1-2 servings 1-2 times per day. Mix 1 serving with 4 fl. oz of cold water (to desired sweetness) and consume immediately. For best results take 20-30 minutes prior to cardio/training or add to your post-training recovery drink. During your workout and throughout the day, it is recommended that you drink plenty of water.

WARNING: Carnigen™ Plus Caffeine contains Caffeine. Do not take this product with alcohol. Do not consume caffeine or other stimulants from other sources. Always begin with 1 scoop or less, and work your way up to find your own personal tolerance. Do not exceed 4 scoops in a day. To avoid sleeplessness, do not consume within 4 hours of bedtime. **KEEP OUT OF REACH OF CHILDREN.** Check with a qualified healthcare professional before using this product if you are under 18 years of age, pregnant or nursing a baby, or if you have any known or suspected medical condition(s) and/or are taking any prescription or otc medication(s). Do not exceed recommended dose. Not to be used as a substitute for a healthy and balanced diet and active lifestyle. Store in a cool, dry place.

Carnigen™

PLUS CAFFEINE

ELITE ENERGY & RECOVERY CATALYST†

Evogen Nutrition is known for pure innovation and hard-hitting supplements. CARNIGEN PLUS CAFFEINE is the latest ultra-premium and potent carnitine blend which utilizes the newest carnitine formulation technology to convert fat to energy. To enhance the absorption and trigger the precise carnitine matrix, Carnigen features key vitamins, minerals, and bioavailability enhancers to unleash its explosive effects. It's the perfect fat-loss solution with a stimulant before cardio or training. CARNIGEN PLUS CAFFEINE utilizes four forms of carnitine, along with the added benefits of caffeine anhydrous for energy and is designed to taste truly delicious. Try it and see!†
