NORDIC

NATURALS®

Distilled for Purity

Nordic Naturals' exceptional quality cod liver oil is derived exclusively from wild Arctic cod. Important omega-3 fatty acids, EPA and DHA, help support healthy skin, coat, joints, heart, and the development and maintenance of the brain and eyes. Cod liver oil is also a source of natural vitamin A.

Nordic Naturals oils are distilled for purity, and surpass the strict international standards for purity and freshness (European Pharmacopoeia and World Health Organization). Certificates of Analysis are available upon request.
