

CLEAR BAND ON CAP AND TAMPER EVIDENT SEAL UNDER CAP

Colon Cleanse® Orange

Suggested use for individuals who lack fiber in their diet. Adults: For persons 150 pounds and more: 1 heaping tablespoon three times daily. For persons under 150 pounds: 1 tablespoon twice daily. Mix with 8 oz. of water, juice or your favorite beverage. Drink immediately.

Children: (6-12 years) half the adult dose.

As a means of adding beneficial fiber to your diet, Colon Cleanse Orange may be taken every day.

Suggested use for weight management:

Take one tablespoon (approx. 7g) about half an hour before every meal, with at least 8 oz. of water, juice or your favorite beverage. Psyllium Husk promotes a feeling of fullness, which will help you to eat less at mealtime.* It also provides fiber that helps in good bowel movements that are essential for weight management.* For best results, combine Colon Cleanse whenever possible with a healthy lifestyle including sufficient exercise, a lot of water consumption and a sensible balanced diet that suits your needs.

Stevia is a natural non-calorie sweetener. The extract used by Health Plus is approximately 350 times sweeter than table sugar; this means you use less of it.

Soluble fiber from foods such as **Psyllium Husk**, as a part of a diet low in saturated fat and cholesterol, may reduce the risk of **heart disease**. A serving of Colon Cleanse supplies 4 grams of the 7 grams of soluble fiber from Psyllium Husk necessary per day to have this effect.

In case of disposal, place in trash and avoid disposal in any plumbing system.

NOTICE: This food should be eaten with at least a full glass of liquid. Eating this product without enough liquid may cause choking. Do not eat this product if you have difficulty swallowing.
