Feeding Directions: Place capsule into a Pill Wrap and feed to your pet.

If you've ever tried to give your dog a pill, you know how stressful and frustrating it can be. GNC Pill Wraps are the perfect solution to this common problem. You simply put any size capsule into a Pill Wrap and give to your pet as a delicious and fun treat. The savory bacon flavor hides any medicinal odors, which may cause animals to reject pills. GNC Pill Wraps make "pill time" rewarding for both you and your pet!
