

# PERFORMIX™

**PERFORMIX SST** is an innovative, multi-phase release thermogenic, delivering unrelenting energy, sharp mental focus and enhanced fat metabolism. Using TERRA Intelligent Dosing technology, an innovative Multi-Coating Matrix, SST delivers premium ingredients via multiple targeted phases to help offer an optimized release profile along with improved delivery.<sup>†</sup>

## Ballistic Body Energy

Don't count your workouts. Make your workouts count. The Suspension Super Thermo Complex in Performix SST features Terra Pod Ballistic Beadlets that are packed with powerful ingredients including Caffeine, TeaCrine®, Yohimbine to stimulate thermogenesis, creating and supporting energy for the entire body.<sup>†</sup>

## Fat Metabolism

Performix SST promotes increased resting metabolic rate, thermogenesis and energy expenditure for ultimate fat burning and lean muscle development. This formula also provides Medium Chain Triglycerides for a fat-derived energy source, primed for absorption.<sup>†\*</sup>

## Enhanced Mental Focus

Performix SST doesn't just help you crush your physical goals, it also supports your mental drive throughout the day. Caffeine, Ashwagandha and Huperzine A work together to promote positive mood, alertness and mental focus.<sup>†</sup>
