

USAGE: Take 1 capsule 20 to 30 minutes prior to bedtime or as directed by your qualified healthcare professional.

WARNING: Do not drive or operate machinery immediately following use of this product.

NOTE: If you have a medical condition (especially asthma, MS, lymphoma, leukemia, diabetes, epilepsy, or autoimmune disease), are pregnant, lactating, trying to conceive, under the age of 18, or taking medications (especially MAO inhibitors such as iproniazid), consult your healthcare professional before using this product.

Melatonin is a hormone secreted by the pineal gland that aids biorhythm regulation.* Biorhythm is disturbed by stress, crossing time zones and changing work shifts.* Melatonin production also declines with age.* Vitamin B₆ aids melatonin metabolism.*

Keep out of the reach of children.
