

What are Probiotics?

- Friendly bacteria
- Help the digestive system do its job
- Help maintain a healthy immune system
- Commonly found in yogurt

What is GanedenBC³⁰®?

- Natural probiotic that survives the journey through the digestive system, unlike common probiotics
- Delivers active cultures more effectively than yogurt**
- Clinically studied and supported by over 20 peer reviewed published papers
- Bake it, boil it, freeze it, squeeze it... GanedenBC³⁰ survives harsh manufacturing processes most other probiotics don't
