Every batch of Nordic Naturals fish oils is third-party tested for environmental toxins, including heavy metals, dioxins, and PCBs. All fish oils used in Nordic Naturals products surpass the strictest international standards for purity and freshness. Certificates of Analysis are available upon request.

Suggested Use: 1–5 milliliters daily, with food, or as directed by your health care professional or pharmacist. Clean pipette thoroughly between each use. To preserve freshness do not depress bulb in oil.

Do not take if tamper-evident seal is broken or missing. Refrigerate after opening. Best if used within 3 months after opening.

Warning: Consult with your physician before using this product if you are allergic to iodine, use blood thinners, or anticipate surgery.
Keep out of the reach of children
