

PINK HIMALAYAN

MINERAL SALT

Bath Soak

Locked away deep underground for ages, our pure Himalayan mineral salt remains pure and free of modern chemicals and contaminants.

Relax The Way Nature Intended!

ALL NATURAL FORMULA DOES NOT FOAM, PERFECT FOR SENSITIVE SKIN!

INSTRUCTIONS:

Draw a hot bath and place at least 2 cups of our **Pink Himalayan Mineral Salt** into your tub.

Allow approx. 5 minutes for salt to dissolve fully. Agitate water and salt with hands for faster dilution.

Immerse yourself in salt bath for at least 15-20 minutes, allowing yourself time to become relaxed.

Wash and exfoliate as normal.

Safe for use with all bathtubs.

INGREDIENTS:

Himalayan Mineral Salt

COLOR OF SALT VARIES. Because of our milling process and naturally occurring mineral deposits, the salt may appear in a range of colors from snow white to pinkish red, or you may even find small specks of dark minerals ranging from purple to dark brown. These are all safe for use.

CAUTION: If you have a history of health and or circulatory problems, consult your physician before use.
